

Merri Health

Healthcare that moves with you

Chronic Pain Management Service

Free support to help you
manage persistent pain.

www.merrihealth.org.au

**Management of
chronic conditions**

Part of your **Merri Health** network

Improve your health and wellbeing with pain management support from a doctor, physiotherapist and clinical psychologist.

Our program includes individual and group therapy sessions to support you to:

- > Help you to better understand chronic pain
- > Learn strategies and skills to manage your persistent pain
- > Stay as healthy and well as possible

Sessions can be onsite, via phone or video conference.
