

# Your experience matters

Share your opinion. Help us improve.

Merri Health wants to hear from people like you, who have used our services. You can use your experiences and share your valuable advice by becoming a Consumer Advocate. You will have the opportunity to take part in:

- feedback sessions
- decision-making
- events
- committees
- reviewing material, policies, and/or services.

You can choose what you want to be involved in depending on your interest and availability. This is a volunteer role but you will be reimbursed for out of pocket costs.

We look forward to working with you!
