Organisational Chart	Manager, Active and Healthy Ageing Team Leader, Aged Specialist Services Occupational Therapist			

Position Summary

The Occupational Therapist position provides services under the Commonwealth Home Support Program (CHSP) and Home Care Package program, and sits within the Specialist Aged Services team. The Specialist Aged Services is a multidisciplinary allied health service composed of two distinct arms:

- The Specialist Dementia and Memory Service: an early intervention service for clients diagnosed with dementia or self-reporting cognitive decline utilising a strengths based framework.
- Rapid Reablement Service: provision of goal-focussed, time limited allied health services for CHSP eligible clients.

The Occupational Therapist position will work across both areas of the Specialist Aged Services as well as with entry level CHSP clients. The position will be split across our sites at Glenroy and Epping and may also require work at other Merri Health sites as required.
